Dear Doctors:

November 30 will be a very special day for RSNA as its President presents the Society's highest honor to three Scientists of distinction, followed by the presentation of the Annual Oration, an RSNA tradition since 1934.

The session will be held in Arie Crown Theater of McCormick Place, Chicago, Illinois at 1:00 P.M. to close at 3:00 P.M. Your availability on stage, or close to the stage at 12:45 p.m. will enable Doctor Tristan to make last minute coordination.

Please call us at 312-920-2677 if there are any questions to be resolved.

Yours sincerely,

Ms. Adele Swenson
Executive Director
